Re: Boone County Commission - Jay Dix Station permanent zoning (Case #13-101) **(Supplemental Report)**

EXECUTIVE SUMMARY:

A request by the Boone County Commission (owner) to assign A-1 (Agricultural District) as permanent zoning on 22.13 acre of land pending annexation into the City of Columbia. The subject site is located on the west side of Scott Boulevard, generally north of Brushwood Lake Road and south of Bellview Drive, and is currently zoned Boone County A-R (Agriculture-Residential). (Case # 13-101)

DISCUSSION:

The applicant is requesting A-1 (Agricultural District) as permanent City zoning, which is equivalent to the existing Boone County A-R (Agriculture-Residential) zoning designation. The site is used as a trailhead and parking lot for the MKT trail. Annexation is required to facilitate Jay Dix Station Master Plan park improvements.

At its August 8, 2013 meeting the Planning and Zoning Commission voted unanimously (6-0) to recommend approval of the request. Commissioners' discussion was limited, but supportive of the planned park improvements to the subject site. No members of the public spoke on this request.

A copy of minutes from the Commission's August 8 meeting are attached for reference.

EXCERPTS
PLANNING AND ZONING COMMISSION MEETING
AUGUST 8, 2013

13-101 A request by the Boone County Commission (owner) to assign A-1 (Agricultural District) as permanent zoning on land pending annexation into the City of Columbia. The 22.13-acre subject site is located on the west side of Scott Boulevard, generally north of Brushwood Lake Road and south of Bellview Drive, and is currently zoned Boone County A-R (Agriculture-Residential). (This project has been carried forward from the July 18, 2012 meeting, due to a lack of a quorum.)

MR. WHEELER: May we have a Staff report, please.

Staff report was given by Mr. Steven MacIntyre of the Planning and Development Department. Staff recommends approval of A-1 as permanent City zoning.

MR. WHEELER: Are there any questions of Staff? Seeing none, we'll open the public hearing.

PUBLIC HEARING OPENED

MR. SHAWVER: Mr. Chairman, members of the Commission, again, my name is Stan Shawver, direct of resource management for Boone County, appearing here on behalf of the applicant, Boone County Commission. Mr. Chairman, there's no necessary apology for us taking our normal place in the proceedings tonight. We're no more different than any other property owner. We do appreciate you considering this for annexation -- permanent zoning. This is a piece of property that Boone County has owned for quite a few years. It has served as the trail head for the county section of the MKT Trail, and now it is slated for added improvement -- recreational improvements. As you know, Boone County has very little recreational activity as far as Parks Department. We participated in cooperation with the City of Columbia Parks and Recreation Department in a couple of projects, and this is a new one. There have been soccer practice fields to the east, on the other side of Scott Boulevard, and as you have probably heard, there is never enough practice fields for the soccer players. We're excited to see the improvements being made, and I shouldn't say this, but we're excited that we're not having to pay for it. Appreciate your consideration in this request and I'd be happy to answer any questions.

MR. WHEELER: Are there any questions of this speaker? Mr. Stanton?

MR. STANTON: Do you intend to put more soccer fields there? I mean, what is your intent?

MR. SHAWVER: Yes. This will be developed by Columbia Parks and Recreation Department, and I believe they're showing three practice fields on this, as well as a little -- some playground equipment and I'm sure there'll be additional parking areas as well.

MR. STANTON: Thank you.

MR. WHEELER: Are there any other questions of this speaker? Thank you. Are there any other speakers this evening on this item?

PUBLIC HEARING CLOSED

MR. WHEELER: Commissioners, discussion? Mr. Stanton?

MR. STANTON: I love this plan. I used to live on Bellview and I used that trail often, but there wasn't anything else but to walk that trail at that time. And across the street they had done some stuff, but the children that live on Bethany and Bellview, there's no recreation -- there's no organized recreational space for them, so they play in the street. So this is safe enough, close enough to the house, I think, that the kids can come and use this area. I like the mountain bike skills loop there, basketball court, soccer field. I think this is great and it's a great use of space, so I definitely support this.

MR. WHEELER: Commissioners?

MR. TILLOTSON: I'll follow Mr. Stanton on that. I plan to support it. I make a motion to approve Case 13-101, a request by the Boone County Commission to assign A-1 as permanent zoning on land pending annexation into the City of Columbia. The 22.13-acre subject site is located on the west side of Scott Boulevard, generally north of Brushwood Lake Road and south of Bellview Drive, and is currently zoned Boone County A-R.

MR. STANTON: Second.

MR. WHEELER: Motion's been made and seconded. Any discussion on the motion? When you're ready.

Roll Call Vote (Voting "yes" is to recommend approval.) Voting Yes: Mr. Lee, Dr. Puri, Mr. Stanton, Mr. Strodman, Mr. Tillotson, Mr. Wheeler. Motion carries 6-0.

MR. WHEELER: Recommendation for approval will be forwarded to City Council.
