Re: Allowing MM III LLC to Construct a Non-City Standard Patterned, Textured, and Colored Sidewalk within a Portion of City Right of Way of S. Ninth Street

EXECUTIVE SUMMARY:

Staff has prepared for Council consideration legislation authorizing the City Manager to execute a right of use permit with MM III LLC to construct and maintain a non-City standard patterned, textured, and colored sidewalk within a portion of the right of way at 404 S. Ninth Street, which is located outside the CID boundary.

DISCUSSION:

MM III LLC is proposing to build a mixed use building at 404 S. Ninth Street and has requested to construct and maintain a non-City standard patterned, textured, and colored sidewalk (diagram attached) within a portion of the right of way. This address is outside the CID boundary. The proposed sidewalk is similar in design and color to the non-City standard textured sidewalk previously approved by Council per Ordinance 21278 passed on April 2, 2012, which is located in the City right of way adjacent to the recently constructed mixed use building at 308 S. Ninth Street.

The right of use permits stipulate the responsibilities and duties of MM III LLC and is similar to other right of use permits granted for this type of project.
