Re: Amending Chapter 2 - Boone County Community Services Advisory Commission

EXECUTIVE SUMMARY:

An ordinance amending Chapter 2 of the City Code of Ordinances as it relates to the Boone County Community Services Advisory Commission.

DISCUSSION:

For many years the County of Boone contracted with the City of Columbia to administer the county's social services funding as part of the city's social services funding process. Therefore the Boone County Community Services Advisory Commission (BCCSAC) was established to monitor social services in the city and county and to make annual funding recommendations for the purchase of social services to both the City Council and County Commission. The commission is comprised of ten members, three appointed by the County Commission and seven appointed by the City Council.

Effective January 1, 2014, Boone County is no longer contracting with the city to administer its social services funding. Therefore, the BCCSAC and staff recommend the ordinance establishing the commission be amended to re-establish the commission as a City-only advisory body. The significant recommended changes are as follows:

- 1) Change the name of the commission to the Human Services Commission.
- 2) Remove all references to the County of Boone and the Boone County Commission.
- 3) Eliminate the three positions appointed by the County Commission and replace with three positions appointed by the City Council.

The BCCSAC voted unanimously to support the proposed changes at its February 18, 2014 meeting. The Boone County Commission has also indicated its support of the proposed changes.
