## Discussion

The applicant is requesting a three-lot subdivision and replat of two existing lots within the Bristol Lake subdivision to create one additional buildable lot for single-family construction. The plat has been reviewed by City departments and external agencies, and meets all applicable requirements of the City's Zoning and Subdivision Regulations. See attached Planning and Zoning report for further information.

At its meeting on April 24, 2014, the Planning and Zoning Commission voted unanimously (7-0) to recommend approval of the proposed replat. There was little discussion, and no members of the public spoke on this request.

A copy of the Planning and Zoning Commission staff report, including locator maps, a reduced copy of the plat, and performance contracts are attached.

## SUPPORTING DOCUMENTS INCLUDED WITH THIS AGENDA ITEM ARE AS FOLLOWS:

Summary of Board/Commission Reports, Maps, Plats and Plans, Excerpts from  
Minutes

**AGENDA REPORT  
PLANNING AND ZONING COMMISSION MEETING  
April 24, 2014**

**SUMMARY**

A request by Allstate Consultants (Agent) for approval of a three-lot replat of PUD (Planned Unit Development) zoned property, to be known as Bristol Lake Plat 1-B. The 1.02-acre subject site is located on the north side of Rutherford Drive, near its western terminus. (Case #14-43)

**DISCUSSION**

The applicant is requesting a three-lot subdivision and replat of two previously platted lots within the Bristol Lake subdivision. The previous two-lot layout, which was approved in 2007, was itself a replat that combined three originally platted lots into two lots. The current proposed replat would return the subject properties to the exact lot configurations of the original Bristol Lake subdivision approved in 2005.

The applicant has stated that the lots were combined in 2007 due to market demand; however, the demand for the larger two lots did not materialize and they desire to return the subject property to the original configuration. Per the applicant, the site is currently graded to accommodate three lots and all utilities are in place.

The replat meets all technical requirements of the City's Zoning Ordinance and Subdivision Regulations.

MR. REICHLIN: Staff report, please?

Staff report was given by Mr. Clint Smith of the Planning and Development Department. Staff recommends approval of the replat.

MR. REICHLIN: Any questions of Staff? Any comments from the audience? Seeing none, comments of Commissioners?

MR. TILLOTSON: Just a question is I'm not seeing sidewalks anywhere. It's not visible. Are we not requiring --

MR. SMITH: They are constructed where there is current single-family homes built, so at the time of construction of these three lots, they would be required to install sidewalks.

MR. TILLOTSON: Okay. I just didn't see them.

MR. SMITH: It's kind of small on this map, but they are there.

MR. REICHLIN: Mr. Wheeler?

MR. WHEELER: Pretty simple request and I think it makes sense, so I would recommend approval of Case No. 14-43.

MR. STRODTMAN: I'll second it.

MR. REICHLIN: Thank you. May we have a roll call, please.

**Roll Call Vote (Voting "yes" is to recommend approval.) Voting Yes: Mr. Strodtman, Mr. Tillotson, Mr. Wheeler, Ms. Burns, Ms. Loe, Mr. Reichlin, Mr. Stanton. Motion carries 7-0.**
