**Agenda Item Number:** B141-14

**Department Source:** City Manager

**To:** City Council

**From:** City Manager & Staff

**Council Meeting Date:** May 19, 2014

**Re:** Reassign Assistant to the City Manager position from C5 Non-Exempt grade to D6 Exempt grade

## Documents Included With This Agenda Item

Council memo, Resolution/Ordinance

**Supporting documentation includes:** Amendment to the City of Columbia Classification and Pay Plan

## Executive Summary

Staff has prepared an ordinance that would reassign the Assistant to the City Manager position (#9911) from a C5 Non-Exempt grade to a D6 Exempt grade level. With this proposed reassignment, the position will take on supervisory duties which will result in the class reassignment, 5% pay adjustment to the incumbent and will move the position from non-exempt to exempt.

## Discussion

In June 2012, the City Manager's Office implemented a two year City Management Fellowship program. This program has two full-time Fellowship positions, which currently report directly to the City Manager and have since the program implementation. In an effort to reduce the supervisory workload of the City Manager, we request that upon passage of the proposed ordinance, these two positions directly report to the Assistant to the City Manager. This would also increase the scope of that role by allowing for the addition of supervisory experience. With approval of the proposed reassignment, the Assistant to the City Manager position will take on supervisory duties which will result in the class reassignment, 5% pay adjustment to the incumbent and will move the position from non-exempt to exempt.

## Fiscal Impact

**Short-Term Impact:** This will result in a 5% pay adjustment to the incumbent in this position.

**Long-Term Impact:** There are no significant long-term financial impacts associated with this ordinance.

## Vision, Strategic & Comprehensive Plan Impact

Vision Impact: Not Applicable

Strategic Plan Impact: Workforce
