Dear City Council:

As you are aware, a referendum petition entitled "Referendum Petition To Repeal Bill B130-14A, Ordinance No. 022071" was submitted on June 9, 2014. Per Section 130 of the Charter of the City of Columbia, Missouri, the city clerk shall determine whether each paper of the petition has a proper statement of the circulator and whether the petition is signed by a sufficient number of registered voters, and shall certify the results thereof at its next regular meeting.

The petition entitled "Referendum Petition To Repeal Bill B130-14A, Ordinance No. 022071" has not been signed by a sufficient number of City of Columbia registered voters, and is therefore deemed insufficient. Enclosed is the certificate of insufficiency, which has been labeled Exhibit A.

Also enclosed is the breakdown of the signature count and its supporting documentation (Exhibit B), a copy of the portion of the Charter of the City of Columbia, Missouri, referring to referendum petitions (Exhibit C), and a copy of one of the petition pages (Exhibit D).

The point of the contact for the petition, Jeremy Root, has been notified the petition is insufficient today as well, and enclosed is the letter to Mr. Root (Exhibit E). Note, per Section 131 of the Charter of the City of Columbia, Missouri, the referendum petition can be amended at any time within fourteen (14) days after the notification of insufficiency by filing a supplementary petition upon additional papers executed and filed as provided in the case of an original petition. Fourteen days from today is July 16, 2014.

Please feel free to contact me if you have any questions.

Sincerely,

Per Section 130 of the Charter of the City of Columbia, Missouri, I, Sheela Amin, City Clerk in and for the City of Columbia, County of Boone, State of Missouri, hereby certify today, July 2, 2014, that the referendum petition entitled "Referendum Petition To Repeal Bill B130-14A, Ordinance No. 022071" is insufficient as it has been signed by only 3,069 City of Columbia registered voters.

The required number of City of Columbia registered voter signatures needed was equal in number to at least 25 percent of the number of votes cast for council member-at-large at the last municipal election, which by my calculation comes to 3,209 signatures (12,835 x 25%).

Re: Referendum Petition To Repeal Bill B130-14A, Ordinance No. 022071

Dear Mr. Root:

As required by Section 130 of the Charter of the City of Columbia, Missouri, the purpose of this letter is to notify you that the referendum petition you submitted on June 9, 2014 entitled "Referendum Petition To Repeal Bill B130-14A, Ordinance No. 022071" does not contain the signatures of a sufficient number of City of Columbia registered voters.

Section 128 of the Charter of the City of Columbia, Missouri, requires the petition to be signed by registered voters of the city equal in number to at least twenty-five percent of the number of votes cast for council member-at-large at the last municipal election, which by my calculation comes to 3,209 signatures (12,835 x 25%). With the assistance of the Boone County Clerk's Office, the City has determined the petition submitted by you contains signatures of 3,069 City of Columbia registered voters.

By providing you a copy of the certification, I am not making an opinion nor does the City waive, on behalf of itself or others, any rights or obligations it may have to claim or declare deficiencies in the form, content or subject matter of the petition, including but not limited to, any allegation or finding the substance of the ordinance relates to exercise of administrative powers by the City which are not subject to referendum under law.

Section 131 of the Charter of the City of Columbia, Missouri, allows a referendum petition to be amended at any time within fourteen (14) days after the notification of insufficiency by filing a supplementary petition upon additional papers executed and filed as provided in case of an original petition. If you wish to submit a supplementary petition, it must be submitted to my office on or before 5:00 p.m. on July 16, 2014.

If you have any questions or need additional information, please feel free to contact me at (573) 874-7208.

Sincerely,
