Re: Street Lighting along Edenton

EXECUTIVE SUMMARY:

A request for installing a single post top luminaire near Smiley Lane Park at the end of the cul-de-sac on Jackal Dr. has been received from the residents of the neighborhood nearby. The staff Street Lighting Committee has reviewed this request and recommends installing this single post top luminaire.

DISCUSSION:

A request for installing a single post top luminaire near Smiley Lane Park at the end of the cul-de-sac on Jackal Dr. has been received from the residences of the neighborhood nearby (See attached list of signatures). This area is along the east side of the Jackal Dr. cul-de-sac. The Street Lighting Committee has reviewed this request and recommends installing a single post top luminaire as requested. The requested street light is located in the 2nd Ward.

The lighting fixture is a 100 watt high pressure sodium decorative post top luminaires mounted on a black standard to match the existing lighting within the subdivision at the location shown in Exhibit A. The estimated cost for installation of this light is \$3,000. Reoccurring costs would be \$3.26 per month per light or \$39.12 annually.

FISCAL IMPACT:

The estimated cost for installation of this light is \$3,000. Ongoing costs will be \$3.26 per month per light or \$39.12 annually. Funding for the \$3,000 required for the construction of this light has already been appropriated in the Captiol Improvement Plan project EL0052 for street light additions.

VISION IMPACT:
